

India Embassy

The UAE Ministry of Foreign Affairs and International Cooperation (MOFAAIC) has embraced values of excellence and continuous improvement while providing consular and customer service abroad. In line with its commitment to contribute towards the country's efforts to become a prosperous and sustainable country fully integrated in a globalised and equitable world, the Ministry of Foreign Affairs and International Cooperation has implemented a simpler, faster and more efficient visa issuing procedures that aims at facilitating the process for foreign applicants. The new process was embedded with a pioneering practice known as "Exporting the Border", in which the applicants can complete the whole visa issuance process in their home country. It enables them to use the smart e-borders system to access the UAE freely. Consequently, the UAE has inaugurated several visa service centers around the globe, one of them is the New Delhi visa center and the General Consulate in Kerala.

Addresses

New Delhi Visa Center

The visa service centre operates from **Monday to Friday, 9am to 4pm**, and is located in the following address:

Visa Center's Appointment System

Prior to visiting the center, kindly book an appointment on the following website:

Applicant: <https://visa.mofa.gov.ae/Individual/Index.aspx>

Employer: <https://visa.mofa.gov.ae/Sponsor/Index.aspx>

Application Requirements

In order to ensure a fast and efficient process, please make sure you have fulfilled and met all the requirements needed to complete the visa application prior to booking any appointments. For any inquiries, please call or e-mail the center with your questions.

After initiating the application, the employer will be sent a notification that his/her application is currently under process in the visa services centre, where it will be necessary that the applicant presents the following documents in order to complete the application successfully:

1. A valid passport for 6 months or more from the intended date of travel.
2. An invitation letter from the employer
3. A medical test certificate from any of the approved medical centres (please see below for further details)
4. Biometric data fees to be paid at the center.

Not providing any of the above requirements upon visiting the centres might cause delays in your application or possible refusal. For further information on visa requirements, please visit the website for the Naturalisation, Residency, and Ports (NRP) department: www.adnrd.ae/home.action

Visa types:

This section illustrates the visa types which are provided by the consular services centre in the center only. Kindly be noted the list below does not cover all visa types provided by the UAE. For further information regarding visa types not covered by the centre, please visit the NRP department’s website (www.adnrd.ae/home.action)

The following table demonstrates the types of visas processed by the centre:

Visa Type	Application Fees*
Work Visa	250 dirhams or local equivalent
Support Worker Visa	250 dirhams or local equivalent

*The application fees relates to the remuneration of the centre service provision, and does not cover all associated costs of any visa

Medical Centres

Medical centres have been approved in India for your convenience so that you could carry out medical tests and thus provide medical certificates. These represent an essential requirement in your visa application, and should be obtained before booking an appointment and/or visiting the centre.
